

How To Request Travel Accommodations

There are several ways to request Travel Accommodations. One is to use the on-line barter store. You will need to be logged into your on-line account. Once you are in the account, if the menu is on the left side of the page look in the **"Hotel / Travel"** box. If the menu is at the top- You will click on the link at the top menu **"My Account"** this will bring up another page with the **"Hotel / Travel"** box.

Under **"Hotel / Travel"**. If you click on the link **"Find Vacation / Travel Accommodations"** it will bring up a page with a map to the Right.

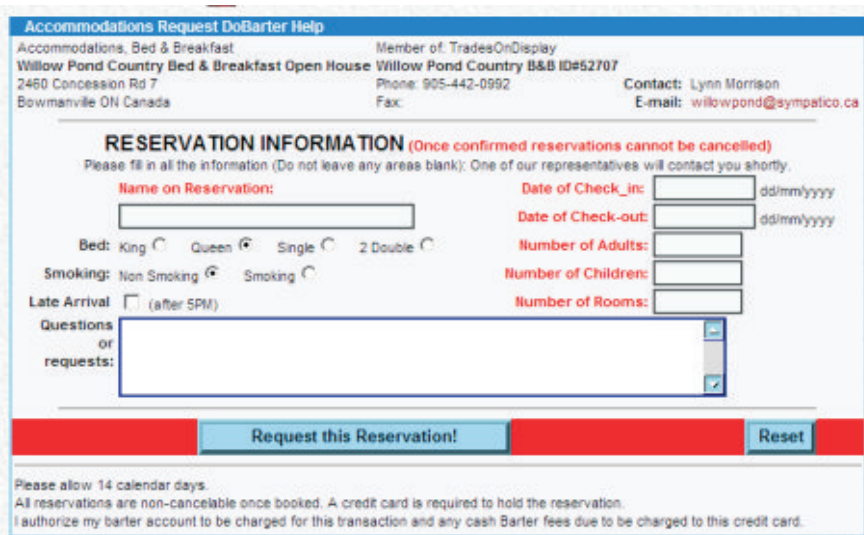

By placing your pointer on any state it will show you the number of accommodations that have been listed for that state. Click on the state and it will bring up a list of available locations. Most have on-line request forms and their own procedures for booking the offered accommodations.

*****Not All exchanges in the network list all of their accommodations in the store, thus the reason many exchanges have developed our own accommodation request procedure. We highly recommend that you allow your broker to help with your travel needs as they often have resources not listed and are able to better follow up and follow through.**

Read the add carefully as to how travel is to be booked. Calling accommodation locations directly can result in cash bookings. If not specified differently - there should be a booking link at the bottom of the listings - that says **"CLICK HERE"** to request this Accommodation.

This form must be filled out in its entirety and once requested if booked you will be charged for the stay and are authorizing the seller to charge your credit card.
