

Directories & Membership Search

Finding Members

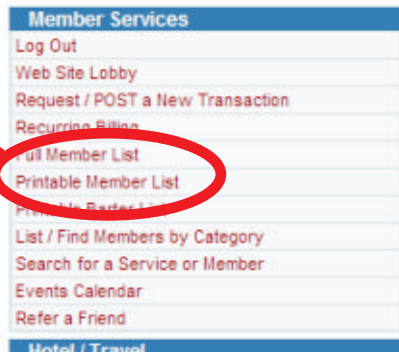

You may search for local and/or national members in multiple ways. These include by business name - by category - or by specific search criteria.

Printable Local Member Lists

- ➔ Log into your account.
- ➔ In the **Member Services** Box
- ➔ Choose **Printable Barter List*** or **Printable Member List**** in the Member Services section
- ➔ A new window will pop up with your selection and you can then choose to print from your browser file menu.

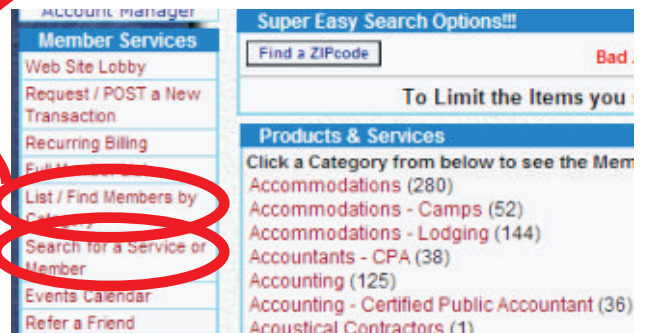

*Printable Barter List is sorted by Category

**Printable Member List is an alphabetical list of *local club* members.

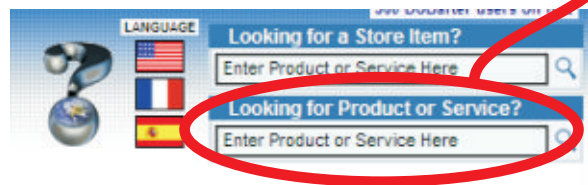

National and Local on-line list

- ➔ Log into your account
- ➔ In the **Member Services** Box click on **Find / List Member by Category**

- ➔ In the **Member Services** Box click on **Search for a Service or Member** get you to the same search as the search engines at the top Right of all member pages

The Top Right Hand Search Boxes

Once logged into your account - The Top box **"Looking for a Store Item?"** searches only from the items posted in the Barter Store. The second box **"Looking for Product or Service?"** searches member information and descriptions. Both boxes search a national directory and not just local club members, but both offer the ability to localize searches as well.

- ➔ Type in your search criteria or key word
- ➔ Press the magnifying glass to search the Database

PLEASE NOTE: Any items listed in the store are subject to the first \$2000.00 full trade rules. Not all trade exchanges enforce the full trade rules. Considering there are over 200 barter exchanges and 50,000+ members in the network, we cannot police the store or how other exchanges allow members to trade, so please make sure you get the full terms and conditions from any member before you complete the trade.
